Make me a pirate!

Step 1:

Working in pairs, one child lies down on a large sheet of paper (a roll of butcher's paper is ideal) while the other traces around their body using a thick marker or crayon.

Step 2:

Use fabric pieces for collage or crayons and paint to add all the features that will make a life-sized pirate! Think bandana, pirate hat, eye patch, stripey shirt, parrot, hook, wooden leg, sword... what else can you think of?
